Made for the woman who wears confidence casually

PAINTED · EMBROIDERED · UNBUTTONED

Every UNBTND shirt begins with a single motif — a clover, a cat, a parrot, a flower — carried from artwork onto an easy, relaxed shirt and finished with our signature flower button.

UNBTND makes women's shirts that move easily from workdays to weekends — each one carrying a print from our hand-painted artwork or an embroidered motif.

ORIGINAL ARTWORK

Prints from hand-painted art, plus embroidery.
